Notices: All prices are FOB Seattle and subject to change without notice. All machines include a standard 13 months parts-only warranty from original date of shipment FOB Seattle. The La Marzocco USA reseller partner is required to provide or coordinate all applicable technical and customer support to the machine purchaser e.g. installation, water treatment system, field service, and warranty fulfillment. 2. Minimum Advertised Price is the lowest price the reseller partner can advertise, however actual pricing is at the discretion of the reseller. 3. Custom color requires longer lead time. Requires RAL automotive color code. Custom color is applied to panels only (does not include legs, trim, or foot zone areas).
